

# Christmas Ministry

Hello Everyone.

**Just as we have done in the past, we will continue to sponsor families in need this Christmas.** With COVID and the church building being closed, we will have to do things a little differently, but we can still make an impact and bring some of the Christmas Spirit to families in need. **This year we will be sponsoring 2 families. The first is Alysha and her son Michael (who is 3 weeks old). The second family is Aubrey and her 18 month old daughter Olivia and her baby son (who is due on Thanksgiving).** Both of these families have had a very difficult year and are in need of support. **Below is the list of items we are requesting. There are several options available to obtain the needed items.**

1. I have created a custom gift list available on Amazon. Once you are on amazon.com, just enter "gift list" in the search bar and hit enter. At the top of the next page it will say "Amazon custom gift list" and click on "Find a list." On the next page enter "LCOS" in the search box and hit enter and you will see LCOS Christmas families 2020. Click on the list and you can choose the item you would like to purchase and it will ship to my house.
2. You can purchase the items you would like to donate from a local store and drop them off at the church. We will collect them in the Sunday school room. **If you chose this option, please contact me to let me know which item you would like to get so that I can remove it from the Amazon list.**
3. You can send a donation to the church and I can purchase the requested item from the list.
